STUDENT ANNUAL '72 At the close of each academic year, the College is proud to present an exhibition of outstanding student work. Representing every department, the exhibition is composed of works in all media which will be displayed in the Gallery on the main floor.

The Student Annual exhibition offers the public an opportunity to view the skills and creative development of young men and women whose influence on our surroundings and on the progress of art and design will surely be felt in the years to come.

COLLEGE SCHOLARSHIP FUND

PCA offers degree programs in 11 major areas of art, design and education. The cost of this education increases yearly. Tuition now pays only 75 percent of each student's education. PCA thus is providing a 25 percent subsidy for each student and must seek this support from friends and other sources. Increased scholarship aid for our students is a special need. This year 425 students received aid from the College averaging \$1050 per student. In many cases, these awards met only a portion of the student's actual need. Estimated annual expense for resident students this academic year was \$3800-\$4000. For commuting students the estimate was \$2900-\$3000. The Scholarship Fund needs the generous support of the College's friends. This invitation carries with it a request for your support of our Scholarship Fund. For your convenience a card and envelope are enclosed.
